# CMS Acts to Spur Innovation for America's Seniors

## Centers for Medicare & Medicaid Services

The Centers for Medicare & Medicaid Services (CMS) recently issued a proposed rule that unleashes innovative technology so Medicare beneficiaries have access to the latest, most cutting-edge devices. The action represents a step forward that will help demolish the existing bureaucratic barriers that have created a "valley of death" for innovative products, resulting in lag times and lack of access for America's seniors. This proposed rule delivers on President Trump's direction to cut government red tape so seniors can access the latest treatments, which he issued in his Executive Order on Protecting and Improving Medicare for Our Nation's Seniors.
